## MISSION STATEMENT

The Houston Gerontological Society was organized in 1986 to foster educational growth and professional collaboration among academic, medical and business professionals serving the geriatric population. Our mission is to disseminate knowledge to professionals in gerontology who are then encouraged to implement this information in order to strengthen and enhance current and future services for the geriatric population.

Proceeds from *Honoring the Past - Bridging the Future* will directly fund the Ruth DeHart Memorial Scholarship and will benefit qualified individuals seeking to further their education in the field of geriatrics. Ruth DeHart was a founding member of HGS and an early leader in the community of geriatric professionals. We are proud to honor her memory and support those who follow in her footsteps.
