With great pleasure, the Houston Gerontological Society is currently offering a scholarship for a direct care worker to have an opportunity to career advance. ***Your help is needed to help us identify a recipient!***

The HGS scholarship offers financial support to persons committed to embarking upon, or seeking to advance, a career in aging. This sponsorship is available to financially support someone who wishes to become a Certified Nurse Assistant (CNA). The appropriate candidate will have a history of successful employment or volunteer experience in some aspect of eldercare, but needs the financial boost to continue their education. ***Do you know someone who you can recommend to apply?***

Requirements include:

- Being at least 18 years of age;
- CNA applicants *only*;
- Minimum of 6-months of successful experience within gerontology.
- Complete the **online application before 30 May 2017.**
